

Richard Crane Memorial Foundation

We are a non-profit organization dedicated to raising money through The 20th Annual Richard Crane Memorial Truck Show™ event to help further the fight against Cancer by donating a portion of the proceeds to the Helen Moss Cancer Research Foundation.

We also have another worthwhile cause that we have taken on this year. The Hydrocephalus Association, in honor of six year old Jayden Gohl. This happy, intelligent little boy, who loves trucks, defied the doctors who said that he would never walk or be able to communicate with others. Not only is he walking but he will be riding in one of the "Big Rigs" as the Junior Grand Marshall during the annual Mackinac Bridge "Parade of Lights".™

Please stop by and support your Navy Seals! We will have a "Dunk Tank" at the 20th Annual Richard Crane Memorial Truck Show™ and all donations for this fun family event will be going to the Navy Seal Foundation.

We are really happy to have Miss NAST 2015, Erika Lynn, joining us on this occasion as well. Please stop by our booth and get an autographed photo.

The cost to execute an affair of this magnitude continues to increase dramatically. Please consider being a sponsor for this wonderful family oriented Truck Show.

Call us today. Make a Difference. Let's Roll...
