

SHOP LOCAL

Welcome to St. Ignace's exciting new initiative to "SHOP LOCAL" campaign. We believe in the power of our community to come together and support the heartbeat of our town, "our local businesses. As we embark on this journey, we invite you to join us in celebrating the unique charm and offerings that our local entrepreneurs bring to our lives.

In a world of big corporations and online marketplaces, it is easy to overlook the hidden gems right in our own backyard. Our local businesses are not just places to shop. They are the heart of the community. By choosing to shop local you are not just making a transaction; you making an investment in the future of our St. Ignace Community. Every purchase you make at a local shop has a ripple effect that goes beyond the transaction itself. It supports local jobs, fuels our economy, and strengthens the ties that bind our community together.

We encourage you to take the pledge to "Shop Local" and be a driving force behind the success of our neighbors, friends, and fellow community members.
